

JOE HISAI SHI
presents
**MUSIC
FUTURE**
VOL.6

久石譲 プレゼンツ ミュージック・フューチャー Vol.6

The 3rd **Young Composer's Competition** **Outline for application**

<Music Future Vol.6> produced by Joe Hisaishi is now accepting the application from young composers who wish to have a chance of their new composition performed in this concert.

A successful piece would be performed by leading musicians as a world premiere.

What is <MUSIC FUTURE>?

Music Future is the concert series started 2014 produced by Joe Hisaishi introducing the most remarkable music nowadays. To try to change the abstract image of modern music, Joe Hisaishi selects the music not only the minimal music or the post classical music, but also the music that has a strong communication pipe with the audience for the future.
